Honorable Doug Walgren, Chairman  
Subcommittee on Science, Research and Technology  
Committee on Science and Technology  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for giving me the opportunity to appear before your  
Science, Research and Technology Subcommittee on 29 March.

Enclosed are the corrected transcript, a copy of the 16 January  
Science News article entitled "Silencing Science for Security," and  
a reprint of the unclassified report entitled "Soviet Acquisition of  
Western Technology." I have reviewed the testimony of the public witnesses  
and found their remarks most interesting. I do not, however, have any  
comments to make at this time.

Sincerely,

/s/ B. R. Inman
